GUARANTEE

MILWAUKEE products are guaranteed against defects in material and workmanship for one year from date of delivery to user, except Model 515 and 5000 series Hand Jacks, which carry the standard 90-day guarantee. Defective Jacks or parts thereof will be repaired or replaced, at the option of the manufacturer, during the guarantee period, if returned to the factory or nearest Authorized Service Depot, with transportation charges Prepaid. A complete explanation of the defect and proof of purchase date must accompany the Jack. This warranty does not apply to Jacks or parts thereof damaged by brake fluid, tampering, abuse, overload or accident, nor does it apply to any product which has been altered or used with special attachments other than those recommended by the manufacturer.

YOUR NEW MILWAUKEE JACK has been built with the finest and most advanced features ever assembled into a jack. These features, plus a little periodic care and attention are all that is required to maintain its superior performance for years to come.
